

SCHOOL TIME

School Time is a comprehensive education management app template designed for building modern learning and institutional platforms. The solution integrates four dedicated modules for Students, Teachers, Parents, and Drivers, enabling seamless coordination across academics and transportation. The Student App supports access to study materials, live classes, assignments, and academic tracking. The Teacher App enables class management, content sharing, scheduling, and student evaluation. The Parent App provides updates on attendance, academic progress, and real-time school bus tracking, while the Driver App manages routes, notifications, and student transport operations. Built with a scalable architecture and clean interface, School Time provides a reliable foundation for developing complete educational ecosystem applications.
